

Send Relief Sunday

Send Relief Sunday is a day that your church and community can gather to pray over, give to, and hear from Send Relief team members as they share how God has done miraculous works in the lives of hurting individuals around the world.

"Send Relief is intently focused on spreading the hope of the gospel. Evangelism is what we're all about, and I couldn't be more excited to tell you how that is working," said North American Mission Board President Kevin Ezell. Send Relief President Bryant Wright elaborated, "I truly believe we, as Christians, are a more powerful force of hope in this world when we work together to bring practical, physical help and spiritual hope to the hurting. Thank you for joining us in gospel-centered compassion ministry both here in North America and across the globe!"

Because of your generosity and partnership, Send Relief teams have ongoing projects in over 75 countries, with nearly 1 million people served and over 20,000 new professions of faith this year alone!
