

SBC Serve Sunday (Serve Tour)

Through partnering with local churches, organizations, and government officials, Send Relief has identified specific community needs across the country and around the world—and you're invited to help launch this exciting new ministry opportunity!

One Serve Tour participant commented, "When we can have something catalytic like Serve Tour bring churches together, bring people together—it's exciting to see! Cooperation is in our DNA."

By joining a Serve Tour experience, you will make a transformative impact on people in need by joining community building projects that will bring a light to the darkness and show underserved, impoverished families that they are seen and loved.

"It's a beautiful picture of Christian unity," a team leader shared. "Churches are working together in a way that is focused on Great Commission principles."

SBC SERVE SUNDAY

We will devote ourselves
to prayer and to the ministry
of the word.
