

## Day of Prayer for Associational Missions

Send Relief partners with local associations across the U.S. for Serve Tour events. Together, they identify specific needs in the community for volunteer teams to address.

From cleaning up neighborhoods to providing free healthcare to newly arrived refugees, Serve Tour is a weekend completely dedicated to showing God's love to a vulnerable city, and none of it is possible without the hard work and partnership of local association staff already living their lives on mission.

At Send Relief's Serve Tour JAX event, the Jacksonville Baptist Association helped volunteers serve more than 60,000 meals at local

children's ministries and low-income schools. By the end of the event, 350 people had heard the good news, and six made the life-changing decision to accept Jesus as their Savior.

Please pray for the local associations across North America as they serve their neighbors every day. Pray for them as they navigate ongoing needs in the surrounding community along with unexpected disaster relief efforts.
